Any assessment levied pursuant to this Declaration, or any installment thereof, which is not paid within 30 days after the date when due shall bear a late charge of \$25 and interest at the rate of 10% per annum. Such assessment with late charge and interest and the cost of collection thereof, as hereinafter provided, shall thereupon become a continuing lien upon the lot or lots belonging to the member against whom such assessment is levied and shall bond such lot or lots in the hands of the of the then owner, his heirs, devisees, personal representatives and assigns. The Association may bring an action at law against the Member personally obligated to pay the same, or foreclose the lien against the lot or lot subject to the prior mortgages or deeds of trust upon the lot or lots, then belonging to said Member; In either of which events, the Association may collect from the said Member, interest, cost and reasonable attorneys' fees. No owner may waive or otherwise escape liability for the assessments provided herein by non-use of the common area or abandonment of his lot.

For the purpose of enforcing the lien of any unpaid and delinquent assessment, each owner grants the Board of Directors of the Association irrevocably the power to sell his lot at public outcry to the highest and best bidder for cash. The Board of Directors is authorized to make such public sale if and only if such sale is made subordinate to any prior recorded mortgage or deed of trust up on the lot. The proceeds of any such sale, whether under the power of sale or by foreclosure suit, shall be applied first to the payment of the expenses of protecting the property and the expenses of litigation, attorneys' fees and sales commission; And second, to the payment of real estate and ad valorem taxes assessed against the lot and any prior recorded mortgages or deeds of trust; and third, to the payment of all amounts due to the Association under the terms of the declaration and By-laws; And the balance, if any, to the owner whose lot is sold. Upon any default in the payment of any assessment, the Board of Directors shall have the right to all rents, issues and profits from the lot in default and shall have the right to secure the payment through notice to those in possession of the lot or by entry into possession in the same manner as the mortgagee entering into possession following default.

All rights, remedies and privileges granted to the Board of Directors or an owner, pursuant to any terms, provisions and covenants or conditions of the Declaration and By-laws shall be deemed to be cumulative, and the exercise of any one or more shall not be deemed to constitute an election of remedies nor shall it preclude the party thus exercising the same from exercising such other and additional rights, remedies or privileges as may be granted to such party by the Declaration and By-laws or at law or in equity.

The Association may notify the holder of any first mortgage or deed of trust on any lot for which any assessment levied pursuant to this Declaration becomes delinquent for a period in excess of 60 days and in any other case where the owner of such lot is in default with respect to

the performance of any other obligation here under for a period in excess of 60 days. Nothing herein contained shall obligate a holder of any first mortgage to collect any delinquent assessment.

Section 10. Acceleration of installments. Upon default in the payment of any one or more installments of any assessment levied pursuant to this Declaration, or any other installment thereof, the entire balance of said assessment maybe accelerated at the option of the Board of Directors and be declared due and payable and full.

Section 11. Priority of Lien. The lien established by this article shall have preference over any other assessments, liens, judgments or charges of whatever nature, except as herein limited.

Section 12. Subordination of the Lien to Mortgages. Notwithstanding any other provisions hereof to the contrary, the lien of any assessment levied pursuant to this Declaration upon any lot shall be subordinate to, and shall in no way affect the rights of, the holder of any indebtedness secured by any recorded first mortgage (meaning a mortgage with a priority over all other mortgages) upon such interest made in good faith and for value received; Provided, however, that such subordination shall apply only to assessments which have become due and payable prior to a sale or transfer of such lot pursuant to a decree of foreclosure or any other proceeding in lieu of foreclosure. Such sale or transfer shall not relieve the purchaser at such sale of the lot from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessment.

No amendment to this Section shall affect the rights of the holder of any such mortgage or the indebtedness secured thereby recorded prior to the recommendation of such amendment unless the holder thereof or the indebtedness secured thereby shall join the in the execution of such amendment.

Failure to pay any assessment provided for herein shall not constitute a default under any such deed of trust or mortgage.

solely for the purpose of ensuring compliance with the covenants contained in this declaration, and further, to ensure the harmonious and orderly architectural development and improvement of the property. Notice is hereby given to any future occupant of any such completed improvement and all invitees, business guests and other persons who may from time to time enter or go on or about such completed improvements that no permission or approval granted by Declarant or the Architectural Review Committee with respect to construction pursuant to this declaration shall constitute or be construed as an approval or approval by them of the structural stability, design or any building, structure or other improvement and no liability shall accrue to Declarant or the Architectural Review Committee in the event that any such construction shall subsequently proved to be defective.
